NetStores WP Plugin Quick Start Guide

4. After Setting up your shopping cart/Storefront

Place your Merchant ID/ store ID in the NetStores Settings. Select www.netstores.com

The screenshot shows the 'NetStores Settings' page. It is divided into three main sections: 'General NetStore Settings', 'Store Link Settings', and 'IFRAME Page Settings'. In the 'General NetStore Settings' section, the 'Store Directory' is set to 'www.netstores.com'. The 'MerchantID' is 'Adnet16TV', which is highlighted with a yellow box and the annotation 'Place your Store ID here'. The 'Choose netstores' link is also highlighted with a yellow box and the annotation 'Choose netstores'. In the 'IFRAME Page Settings' section, the 'IFrame post height' is set to '1700', which is highlighted with a yellow box and the annotation 'IFrame post height'. The 'Update Options' button is highlighted with a yellow box and the annotation 'Update Options'.
